

20th August 2020

To whom ever it may concern

This is to certify that Ms. Adviti Mishra, student of The Cathedral & John Connon School has successfully completed her internship program (1st June 2020 to 20th August 2020) with Netmagic IT Services Pvt. Ltd., Mumbai, under the guidance of Mr. Shriranga Mulay, Senior Executive Vice President & Chief Technology Officer – Product Engineering & Innovation.

She worked as a Team Leader and exhibited good leadership abilities while working on the project 'Setting up Databases' and created an online platform to connect students, teachers & Alumni with each other, using GitHub to collaborate & Django as a framework to put the platform together. We were impressed by her passion and tenacity with which she pursued this subject.

I am sure that this training will be useful for Adviti in her current studies and subsequently for pursuing a rewarding professional career. We wish her all the best in her future endeavours.

Best Wishes,

for Netmagic IT Services Pvt. Ltd.
